I am writing on behalf of The Honors Academy of Literature's 501(c)3 organization, Champions of the Honors Academy of Literature, to request your donation in support of our school. Support and donations from community members like you are critical to achieving the mission of the Honors Academy of Literature, to help support the differentiated education each scholar receives, and are sincerely valued by our school community. As a donor and supporter of our school you enable our scholars to have access to technology and experiences that will shape and enrich the next generation of leaders as they develop their skills and foster a greater love for learning on their educational journeys.

Anything you can provide is greatly appreciated by the Champions of the Honors Academy of Literature families, faculty, staff, and students. One of the main focuses of our fundraising this year is increasing diversity in The Academy's Liz Warner Love of Learning Library collection and developing the Makerspace STEAM Lab where our scholars are able to work with hands-on technology to further their learning and growth. Funds also support other experiences, events, programs, and activities to enhance our scholars' learning environment and to support our school community throughout the year.

Serving approximately 220 children in grades kindergarten through eight, The Academy provides a unique, small, and friendly school community in the heart of Downtown Reno that has been lauded by many parents as the very best learning environment their children have ever experienced.

We would like to invite your company to help nurture our scholars by becoming a donor to our school. Thank you so much for considering our request for your support, we look forward to hearing from you soon. Please email, text, or call to arrange donation pick-up, or mail directly to our school.

Most sincerely,

Kari Buccambuso

Your contribution is tax-deductible to the extent allowed by law. No goods or services were provided in exchange for your generous donation. Champions of The Honors Academy of Literature is an exempt organization as described in Section 501(c)(3) of the Internal Revenue Code; EIN # 46-0550632

Mission Statement

Our mission is to offer a differentiated curriculum that supports education equity through consistent learning and growth; to enliven a love of learning and educational discovery through the exploration of Children's Literature; and to provide all students a foundation for excellence in education upon which to build success in future learning.
