

Honors Academy of Literature
The Liz Warner Love of Learning Library
BIRTHDAY BOOK PROGRAM

The Library Birthday Book program is optional for families and friends who may wish to donate a book(s) or magazine subscription in honor of their scholar's birthday. The book may be purchased from a favorite vendor. The scholar's name, photo and birthday will be inscribed on a book plate secured inside the book, unless anonymity is requested.

Ms. Shar, our school's librarian, will gladly offer ideas for a new book(s) or magazine subscription.
