Dear Parent or Guardian,

### **Title I Notification Letter**

We are excited to provide you with the following information on additional resources designed to improve outcomes for our scholars! This letter serves as our official notification of our Title I plan.

Our school reviewed student performance data from last year. We identified opportunities for improvement in the areas of attendance and math. Therefore, the additional funding, under Title I, will be used for a schoolwide program to combat chronic absenteeism and to develop targeted interventions for math at the elementary level.

Last year, HAL received scores of 3 stars (Middle School) and 1 star (Elementary). Our goal this year is to increase those scores and these funds will help. In alignment with the Every Student Succeeds Act (ESSA), we believe in holding all students to high academic standards and providing appropriate supports for school improvement.

For more information about the resources, specific strategies, and tailored school goals, please slack or email Mr. Ben at [mr.ben@academyoflit.org](mailto:mr.ben@academyoflit.org) or feel free to review the School Performance Plan on our website. Additionally, you can check out our rating report at [www.nevadareportcard.com](http://www.nevadareportcard.com). Your voice is crucial to the success of your child and our school. We will hold an informational meeting on September 30th at 5:30 pm, held as part of our goal setting night. We will also be offering opportunities to join remotely. All are welcome and encouraged to attend!

Sincerely,

Andi Morency
